

# Upgrade Your Water Infrastructure with Maximum Savings!

Now is the perfect time to enhance your water infrastructure with impactful cost-efficient upgrades.

## Tap Into SoCalREN Services

### Maximize available incentives for equipment upgrades

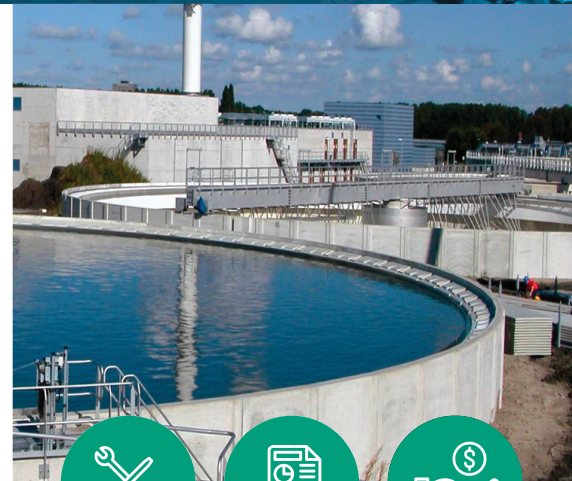

- ✓ Boost savings with pump overhauls, process boiler replacements, irrigation VFDs, pump/process controls, system optimization, and pipe and tank insulation.
- ✓ Incentives can cover up to 100% of costs for pipe insulation projects.

### Expert, personalized support

- ✓ Cut costs and increase efficiency with targeted solutions tailored to your energy goals and needs.
- ✓ Receive no-cost technical and project management support to help with engineering calculations, paperwork and savings verification services alongside project implementation guidance.
- ✓ Connect with qualified contractors and expedite the procurement process to start saving sooner.

### Flexible financing options

- ✓ Bundle incentives with SoCalREN's 0% interest Revolving Savings Fund + Southern California Edison's and SoCalGas' 0% interest On-Bill Financing.

### SoCalREN Members Cut Costs and Save Energy!

Inland Empire Utilities Agency upgraded wastewater pumps with SoCalREN, receiving **\$231,331** in incentives—enhancing efficiency and cutting lifetime costs **by \$906,000** with a seamless upgrade!

Don't miss out on this opportunity to upgrade your water infrastructure at little to no cost. Contact your SoCalREN Project Manager today to optimize your savings and efficiency!
