

LIMITED TIME OFFER!

SoCalREN is covering up to 100% of costs for select projects!

Don't miss your chance to complete energy efficiency projects with **little to no out-of-pocket costs** this year! Incentive checks can be paid out to your agency or directly to contractors.

Eligibility Criteria

Facility Eligibility:

- ✓ The public agency must be enrolled in SoCalREN
- ✓ The facility must be owned by the public agency
- ✓ The facility is served by SCE or SoCalGas

Construction Eligibility:

- ✓ Project must be completed in 2026

Equipment Eligibility:

- ✓ To be assessed based on equipment data provided

Covered Costs:

- ✓ Coverage for specific equipment varies and may be up to 100%
- ✓ Only applicable to eligible costs for qualified facilities

SoCalREN is committed to ensuring equitable distribution of incentives. The final incentive amount will be determined upon SoCalREN's review of eligibility.

Priority Equipment*

- ◆ Heat pump water heater
(propane hot water heaters are not eligible to be incentivized to be upgraded)
- ◆ Tankless water heater
- ◆ Faucet aerator
- ◆ Water pumps
- ◆ Variable speed drive for HVAC fan controls
- ◆ Exhaust hood demand control ventilation
- ◆ Hot water pipe insulation

**Coverage for specific equipment varies and may be up to 100%*

Maximize Your Project Value:

Bundle water equipment! Pair hot water pipe insulation with heat pump water heater replacements.
