

Assignment of Improvement Incentive

Project Name: _____

Project Number: _____

Project Address: _____

Southern California Edison (SCE) Utility Account Owner Name: _____

SCE Utility Account Service Address: _____

SoCalGas® Utility Account Owner Name: _____

SoCalGas Utility Account Service Address: _____

Notice to customer: Program incentive payments are defaulted to the SCE and/or SoCalGas utility account owner. The utility account owner and/or their designated representative may sign the project incentive over to a third party at the direction of the utility account holder/representative. You may elect this option by filling out the form below and submitting it to Southern California Regional Energy Network (SoCalREN).

Only complete the below portion if the improvement incentive will be assigned to an entity other than listed above.

Assignment of Payment

I, the undersigned, authorize an assignment of my improvement incentive to the entity named below and I understand that I will not receive the improvement incentive check from SoCalREN.
